

Passing the Gavel: Induction of New Board Members

Thomas Moore of Demopolis presided over his final board meeting as State President in June. President Moore thanked the board and members for entrusting him to lead our organization and thanked the staff, expressing his appreciation for Liane Kelly's leadership through the years.

Moore, who retired from the Alabama Department of Revenue as an income tax examiner in 2006 with 25 years of service, officially ended his term as ARSEA/APEAL's state president on June 30, 2024.

A past chairman of the Demopolis City School Board, Moore served 21 years as a councilman for the City of Demopolis and was president of the Alabama League of Municipalities in 2011. He represented District 9 on the ARSEA/APEAL Board of Directors for two terms and served as vice president of the South-Central Region. Moore continues his service on the ARSEA/APEAL Board as secretary-treasurer.

Norris Green was sworn-in for his term as president that began on July 1, 2024. He retired as the Director of the Legislative Fiscal Office in 2015 after nearly 40 years of service. During his career, Green handled legislation related to the Retirement Systems of

Alabama, and his experience in dealing with the Alabama Legislature and budgets serves him well as the elected state retiree representative on the Employees' Retirement System Board.

Green created the fiscally responsible plan to allow the resumption of cost-of-living adjustments for state and local government retirees which we will re-introduce next year.

The newly elected and re-elected board members who began their terms on July 1st include: President Norris Green, President-Elect Thera Herring, Vice-President North Peggy Harris, Vice-President South Central Carolyn Middleton, Secretary-Treasurer Thomas Moore, District 5 Ralph Hellmich, District 7 Crys Fuller, District 9 LeTonya Williams, District 11 Joe Lowvorn, District 17 Proncey Robertson, and District 18 Mark Clouser.
